

AUTOMATION EXPOSOUTHTM

2nd Regional Automation Expo in Chennai

Automation ExpoSouth 2025

**Advancements in
AI and Robotics transforming
Process Automation & Factory Automation**

6th - 8th March '25

Stalin Hall 1, 2 & 3, Chennai Trade Centre

**10:00 AM to
6:00 PM**

Organisers:

IED Communications Ltd.

Valves & Valve Automation

Hydraulics & Pneumatics

Showcase Engage Succeed

The Automation Expo South in Chennai was a landmark event with 200+ companies displaying 15,000+ products across 172 stalls. Catering to a strong market in manufacturing, the expo saw an impressive turnout of 10,198, including industry experts, professionals, and students. It featured discussions on sustainability and future automation trends. The event successfully facilitated new connections and showcased cutting-edge technologies in a thriving tech ecosystem.

VALVES & VALVE AUTOMATION ZONE

CONTROLLING FLOW, MASTERING MOTION

Precision in Every Turn

Dive into the world of precision and control at the Valves & Valve Automation Zone at Automation Expo South. This dedicated area showcases the latest advancements in valve technology and automation solutions that are essential for fluid control in various industrial applications. It's designed for companies that want to highlight their innovations in valve design, manufacturing, and integration into automated systems.

Potential Exhibitors

- Automated Valves
- Smart Valves with IoT Integration
- Valve Control Systems
- Positioners
- Smart Controllers
- Flow Meters
- Valve Diagnostics and Monitoring Tools
- Safety Valves & Pressure Relief Devices
- Pressure Release Valves (PRV)
- Safety Valves for Industrial Applications
- Valve Accessories
- Actuators
- Solenoid Valves
- Switch Boxes
- Valve Mounting Kits
- Control Panels for Valve Automation
- Instrumentation and Control Products
- Flow, Pressure, and Temperature Sensors
- Fluid and Gas Flow Control Systems
- Water and Wastewater Management Valves
- Digital Solutions and Software
- Digital Twin Technology for Valves
- Predictive Maintenance Software
- Cloud-Based Monitoring System

Potential Visitors

- Oil & Gas Industry
- Chemical & Petrochemical Industry
- Power Generation
- Water & Wastewater Treatment
- Pharmaceutical Industry
- Food & Beverage Industry
- Automotive Industry
- Mining & Metallurgy
- Pulp & Paper Industry
- Semi-conductor Industry
- New Energy Industry

MACHINE VISION ZONE

ELEVATE YOUR VISION WITH ADVANCED IMAGING

Enhance Precision, Empower Performance

Welcome to the Machine Vision Zone at Automation Expo South, where cutting-edge imaging technologies meet industrial innovation. This zone is dedicated to showcasing the latest advancements in machine vision systems that are revolutionizing accuracy and efficiency across multiple sectors. It's the perfect platform for companies to demonstrate their high-tech solutions and for attendees to discover the transformative potential of machine vision.

Potential Visitors

- Manufacturing & Industrial Automation
- Robotics & Automation Engineers
- Pharmaceutical & Medical Device Industry
- Food & Beverage Industry
- Electronics and Semiconductor Industry
- Packaging & Labeling
- Logistics & Supply Chain
- Artificial Intelligence & Deep Learning Engineers
- System Integrators & Solution Providers
- Transportation & Automotive
- Telecommunications
- Smart Cities
- Textiles
- Biotechnology
- Environmental Monitoring Specialists
- Government and Regulatory Officials

Potential Exhibitors

- Vision Systems
- Cameras
- Imaging Components
- Image Processing Software
- Sensors
- Robotic Vision Solutions
- Barcode Readers and Optical Character Recognition (OCR)
- Embedded Vision
- Vision Accessories

WHY EXHIBIT

- Showcase Your Products and Solutions.
- Generate Leads and Sales Opportunities.
- Expand Your Professional Network.
- Stay Informed about Industry Trends.
- Gain a Competitive Advantage.
- Regional Reach
- Receive Valuable Product Feedback.
- Explore Collaboration and Investment Opportunities.

EXPLORING THE WIDE SPECTRUM OF INDUSTRIES OF OUR VISITORS

- Oil & Gas, Refineries
- Chemicals & Petrochemicals
- Fertilizers, Dyes
- Iron & Steel, Metal Industry
- Plastics, Rubber
- Textiles
- Pharmaceuticals
- Discrete manufacturing
- Cement, Glass
- Automobiles
- Renewables
- OEMs
- Engineering Goods
- Consulting
- Power & Energy
- Communication Systems
- Electronics & Electricals
- Machine Tool Manufacturers
- Food Processing
- Paper
- Security Systems
- Integrated Projects

➤ STALL RATES

STANDARD STALL OFFERING

AREA	TABLE	CHAIRS	SPOTLIGHTS	PLUG POINTS	DUSTBIN
9 sq. meter	1	2	3	1	1
18 sq. meter	2	4	6	2	1
27 sq. meter	3	6	9	3	1
36 sq. meter	4	8	12	4	2

Bare Space: INR 11,000/- per sqm plus 18% GST (Min 36 sqm) .
Electricity for the exhibition period is to be ordered separately.

Constructed Space : INR 11,500/- per sqm plus 18% GST (Min 9 sqm)

- GST 18% is additional and any other taxes applicable during the FY 24-25.
- 10% Additional for three side open stalls and 5% additional for two side open stalls.
- Standard Amenities for Shell/Constructed space with a minimum of 9 sqm includes wall panels, Carpet, Name Fascia, 1 Table, 2 Chairs, 3 spotlights, wastebin, and 1 plug point of 5 amps
