R-tek ®

40 YEARS Excellence
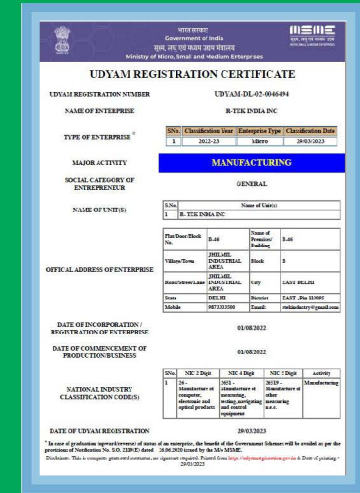

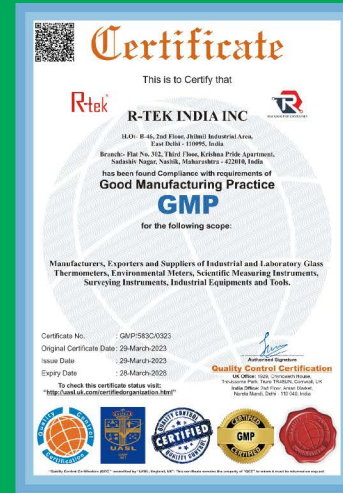

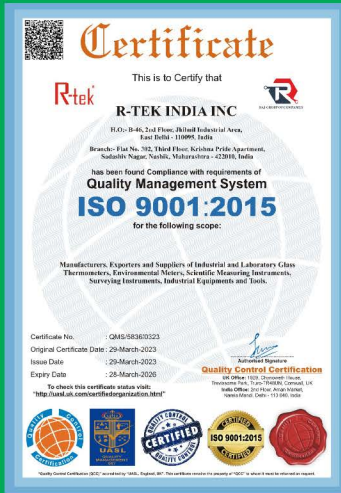

INSTRUMENTS FOR
MEASURING
ACCURACY

We are delighted to introduce **R-TEK** an esteemed Indian manufacturer specializing in a wider range of Industrial glass & digital thermometers and precision instruments with a strong focus on quality and reliability, we offer an extensive selection of products including Industrial thermometers, Environmental meters, measuring instruments, Measuring tools, Temperature & RH Data Loggers, Electrical Meters and NDT testing instruments. At R-TEK INDIA INC., we take pride in our **ISO, GMP, CE, and MSME** certifications that reflect our commitment to maintaining international quality standards. We understand the importance of exceptional customer support throughout your journey with us. R-Tek is our flagship brand that represents the quality and excellence associated with Indian craftsmanship and has proudly delivered its high-quality offerings to numerous countries worldwide. Bringing innovation and customization to international markets. R-TEK is your go-to supplier for cutting-edge products tailored to meet your specific requirements.

Industries We Serve

| Scientific | Laboratories | Refrigeration | Cold Chain | Agriculture |

| Pharma Industry | Cold Storage | Food Industry | Poultry Industries |
