

TYPHOON
ELECTRONIC SOLUTIONS

ABOUT US

Typhoon Electronic Solutions, an ISO 9001:2015 certified company based in Chennai, India, brings over 9 years of expertise in distribution of premium electronic components and tooling. Specializing in Defense ,Aerospace, Automotive, Renewable Energy, Power Transmission, and medical sectors, we deliver reliable components that drive innovation and enhance your success.

Your trusted partner for all electronic component needs

Why Typhoon ?

We are driven by only one thing, that is “adding value to our customers.”

Quality First Mindset

Genuine Components

Customer-First Approach

Free Shipping Across India

Agile Supply Chain Partner

Typhoon Journey

2015

Founded with a vision to distribute genuine electronic components

2016

Achieved registration as a vendor for a premier defense agency in India.

2017

Established a strategic partnership with CDIL.

2018

Expanded into diverse sectors, including Automotive,

2019

Honored with the "Best Supplier" award for outstanding performance.

2022

Reached a record high in the number of parts shipped.

2023

Formed valuable partnerships with Meanwell and Phoenix Contact.

2024

Announced new collaborations with Elektrisola and Elpress.
